

Forum: General questions, suggestions, or ideas on teaching, teaching materials, running your business, etc. Intended to illicit discussion and feedback from other teachers.

“What do you do when your child is not behaving in class?”

“Any ideas for keeping advanced Green Turtle Shells students more challenged?”

“I found a great puppet show theatre back drop at Wal Mart!”

“I have some useful guidelines for trading services for tuition!”

DownLow: Documents for running your class, extra visual aids, corporate policies and documents, etc.

Team Leader: Local issues such as combining for recitals, substituting for each other, recruiting needs for coming up year, mini-class involvement, observing each other’s classes, etc.

“I’m not sure where to start looking for a recital location. Any suggestions?”

“I want to teach some morning 1st year classes next year, so send young’uns my way!”

“I have a 3rd year student that can’t come to his 1st lesson! Anyone have a class he could attend?”

“Does anyone want to team teach mini-classes with me this summer?”

Materials Development Manager: Corrections to and suggestions for things that could be included in future editions of any of our manuals can be sent straight to Sanya Fenn at csfenn@msn.com We would really appreciate all of your eyes looking and helping us improve!

“There is a typo in Lesson 3 of the Blue Bugs student manual.”

“Can we add a blank staff to the inside cover of the third year songbooks?”

“It would be helpful to have the ‘Activities by Purpose’ chart in the 2nd and 3rd year teacher’s manuals.”

“There are ampersands in every Concept Review Box of the Green student manual.”

State Representative: (UT) Broader issues affecting all in the area such as area trainings, team issues, materials dispersions, state workshops, local events and advertising. Also, personal training a distant advisor can’t provide.

“Are we having any workshops here this year?”

“Can we get an ad to run in our county newspaper?”

“Have you seen any autoharps in the music stores around here?”

“I need to see Purple Lesson 9 taught by a professional before I attempt it. May I observe you?”

Advisor: Curriculum questions, classroom functioning questions, recruiting questions, getting replacement visual aids and order placing that have a definitive answer (rather than those that are asked for discussion purposes) and issues relating to data, such as address changes, student registration, and password retrieval. Also, any problem relating to payments on royalty fees, materials orders or licensing fee payments.

"I can't remember how to play 'Ding Dong' in Red lesson 7!"

"Do I charge the parents sales tax?"

"I had a student drop. How do I report that?"

"I was charged shipping on my last order and it wasn't shipped. Can I get credited for that?"

Shelle: Questions or concerns relating to the corporation: licensing agreement questions or clarifications, suggestions for curriculum alterations or additions. Also, questions relating to order fulfillment.

"Can I use some LPM curriculum songs in my private piano classes?"

"Should we consider cutting all holiday songs from the curriculum?"

"Can I add another order real quick and have them all sent in the same box?"
