

Scholarship Program Guidelines

Teachers: Please read this document thoroughly before going through the Scholarship Application process.

Let's Play Music is pleased to offer a Scholarship Program to provide tuition aid to deserving students and families. Due to the privileged nature of scholarships, we strongly encourage teachers to use utmost discretion when considering scholarship applicants. This should not be an offer that is announced in class or over e-mail, but brought up in private to a family you know to be facing extreme financial hardship and have a sincere loyalty to Let's Play Music. Also, before offering the scholarship option, the teacher should discuss a trade for tuition. Since the maximum number of scholarship applications per studio is set at two, teachers will want to be certain that their applicants are truly deserving.

Scholarship Packet includes:

- Scholarship Program Guidelines (for teacher use only)
- Scholarship Application – to be filled out by NEW scholarship applicant
- Scholarship Renewal – to be filled out by parent wishing to renew a scholarship
- Teacher Recommendation – to be filled out by the referring teacher for both applications AND renewals

General Scholarship Guidelines:

- Scholarships are for 2nd & 3rd year students only. 1st year applicants will not be considered
- Student must be registered with corporate to be considered for scholarship
- Maximum of two scholarship applications per studio, per year
- Scholarship Deadline is March 15th. Late applications will not be accepted
- Teacher will download and print the Scholarship Packet, give the appropriate application to the parent, and complete the Teacher Recommendation form
- Please use the forms provided only. Applications submitted in any other format will not be considered
- Application process: Parent completes the Scholarship Application -OR- the Scholarship Renewal and returns to teacher. Teacher completes Teacher Recommendation, attaches to application, and mails completed packet to Let's Play Music

Please direct any questions regarding the Scholarship Program to a member of the Scholarship Committee.
